SUMMARY

Enterprise hunter with 12+ years of quota-carrying B2B sales, originating and closing **net-new logos** in complex, multi-stakeholder deals. I multi-thread from the business owner up to the C-suite, lead deal teams of solutions architects, professional services, legal and security, and take multi-year deals through procurement to signature. Deep in **financial services** (banking, wealth, insurance), and I now see the buyer's side of the deal as a procurement co-founder.

$2.4M ARR originated across 14 new logos, built from zero	**#1 of 30+** enterprise AEs companywide at SumTotal	**$0 → $1.06M** ARR landing and growing KeyBank	**President's Club** Hearsay Systems

EXPERIENCE

DealDesk · Chicago, IL — Dec 2025 – Present

Co-Founder

Buyer-side software negotiation and procurement consulting, run on a shared-savings model.

- Built go-to-market from scratch: ICP, positioning, pricing model, Apollo outbound, and vertical plays in banking/fintech and K-12/charter education.
- Sell to CFOs and COOs and negotiate against vendor deal desks: first-hand insight into how procurement, finance and legal judge a business case.

Hearsay Systems · acquired by Yext, Aug 2024 — Aug 2021 – Dec 2025

Enterprise Account Director · promoted from Enterprise Account Executive

- Hired as Hearsay's **first Enterprise AE**; hunted and built my own book from zero: **$2.4M ARR originated across 14 net-new logos** (~$170K average ARR).
- Landed **KeyBank** as a new logo and grew it from **$0 to $1.06M ARR**; my book delivered **20%+ of company net growth** during a turnaround from $50M to $60M ARR.
- **President's Club**. Promoted to Hearsay's **first Enterprise Account Director** for mentoring the enterprise team and stepping in to move colleagues' deals.
- Sold into regulated financial services (wealth, insurance, banking) through compliance, infosec and procurement.

SumTotal Systems · Remote — 2018 – Aug 2021

Sr. Enterprise Sales Director · promoted from Enterprise AE, Net New → Enterprise Sales Director

- **#1 of 30+ enterprise AEs** companywide with **$1M+ in new logo revenue**. **Leading Change Award (2020)** for strategies that **tripled net new YoY**.
- **Qurate Retail Group (QVC, HSN, Zulily + 4 brands):** Won a **$1.8M+ 3-year TCV** net-new deal for 27,000 users, combining the platform with Skillsoft content in one multi-solution sale and consolidating 7 subsidiaries off 7 LMSs. Beat Cornerstone and Workday, then SAP SuccessFactors in the final; ran a mutual close plan and 30+ meetings through legal, security, contracts and pricing, and closed in-quarter.
- **Bloomberg Industry Group:** Multi-threaded up to the CHRO and led a deal team of solutions architect, pro services, pricing, contracts and legal. Beat Workday, Cornerstone, Absorb and 11 other vendors, displacing Halogen and Blackboard in a **4-month cycle**.
- Selected by leadership to present my **net-new prospecting campaign** at the SWARM sales conference (2019).
